Project-based Coursework

I understand that in order to successfully complete the John Martinson Honors College scholarly project requirement through the HONR course-based pathway, I will need to enroll in and successfully complete one of the following courses prior to completing my undergraduate degree:

- HONR 22100 Exploring Place: Internships (1 credit)
- HONR 46000 Technological Justice (3 credits)
- HONR 46100 Well Being (3 credits)
- HONR 46200 Protein Design with FoldIt (3 credits)
- HONR 46300 Research Thinking Portfolio (2 credits)
- HONR 46400 Scholarly Project (3 credits)

Which semester do you plan to register for a project-based HONR course?

Students need to indicate the semester in which they will take/ are taking the course.

Acknowledge and submit,
they complete their SP proposal.
